Competition format

One or two preliminary rounds of pools, followed by direct elimination.

For the competitions of the national circuit some fencers will be eliminated following the preliminary rounds.

Equipment

The fencers' equipment must be compliant with the rules stated by the Vlaamse Schermbond: <http://www.vlaamsechermbond.be/?q=materiaalrichtlijnen>

Attention: the hall may only be entered with white-soled sports shoes!

Participants/ Categories

The tournament is open to the categories Boys and Girls **U16 cadets**, and Men and Women **seniors**. Juniors and U16 cadets (born 1999 – 2004) are allowed to fence with the **seniors**, and U13 youth (born 2005 – 2006) can fence with the **U16 cadets**. Participants can only register for a single category and cannot change categories on the day itself. All participants must be in possession of a valid (inter)national license.

If a category has fewer than 5 participants registered, the organization reserves the right to cancel the competition for that category.

In that specific case sabre cadets are allowed to change category for the seniors' competition.

Referees

When entering 3 fencers on the same weapon (or 4 fencers on different weapons), the club is obliged to provide a qualified referee on the specific weapon (or one of the weapons for which fencers are entered) for the whole day.

When entering 8 fencers, a second qualified referee has to be provided under the same conditions. When entering 15 fencers, a third qualified referee has to be provided under the same conditions.

If this condition is not met, the participants will have to pay a fine of € 100 for each missing referee and/or the organization can decide to refuse the excess number of fencers. The first qualified referee to be delivered cannot be bought off with a fine.

The name(s) of the referee(s) have to be stated on the entry form.

The organisers of the tournament are not liable for any bodily or material damages incurred during the tournament, or during the journey to and from the tournament.
