Equipment

All equipment must be compliant with the most recent FIE rules.

Only masks with two independent security devices will be allowed, in accordance with FIE *urgent letter 14-14*.

Participants/ Categories

The tournament is open to the categories Boys and Girls **U16 cadets**, and Men and Women **seniors**. Juniors and U16 cadets (born 2001 – 1996) are allowed to fence with the **seniors**, and U13 youth (born 2003 - 2002) can fence with the **U16 cadets**. Participants can only register for a single category and cannot change categories on the day itself. All participants must be in possession of a valid (inter)national license.

If a category has fewer than 5 participants registered, the organization reserves the right to cancel the competition for that category. In that specific case U16 cadets are allowed to change category for the seniors' competition.

Referees

Any club or association entering a total of 3 to 7 fencers is obliged to provide a referee (for the whole day). Any club entering a total of 8 to 14 fencers is obliged to provide two referees, and any club entering more than 14 fencers is obliged to provide three referees.

If this condition is not met, the participants will have to pay a fine of € 75 for each missing referee and/or the organization can decide to refuse the excess number of fencers.

The name(s) of the referee(s) have to be stated on the entry form.
