Equipment

Participants/ Categories

The tournament is open to the categories U10 (born 2008 or later), U12 (born 2006-2007), U14 (born 2004-2005). U12 are allowed to fence with U14, and U10 can fence with U12. Participants can only register for a single category and cannot change categories on the day itself. All participants must be in possession of a valid (inter)national license.

If a category has fewer than 5 participants registered, the organization reserves the right to cancel the competition for that category. In that specific case U10 and U12 are allowed to change category for respectively U12 and U14.

On epee and sabre, U10 and U12 fence together. U10 and U12 fence mixed, U14 boys and girls fence in separate competitions.

Referees

When entering 3 fencers on the same weapon (or 4 fencers on different weapons), the club is obliged to provide a qualified referee on the specific weapon (or one of the weapons for which fencers are entered) for the whole day.

When entering 8 fencers, a second qualified referee has to be provided under the same conditions. When entering 15 fencers, a third qualified referee has to be provided under the same conditions.

If this condition is not met, the participants will have to pay a fine of € 100 for each missing referee and/or the organization can decide to refuse the excess number of fencers. The first qualified referee to be delivered can not be bought off by a fine.

The name(s) of the referee(s) have to be stated on the entry form.
